

Alan Rohrback, Lakeside, CA

In 1981, Alan Rohrback was named as “rookie of the year” in the Western Softball Congress with the San Diego Vista Bombers. His youthful skills resulted in his being added to the Camarillo Kings roster for his debut ISC World tournament in Saginaw, MI. The Kings won that memorable tournament, and Alan was selected ISC First Team All-World player, with teammates Larry Nolan (ISC HoF 2002) and Floyd “Blue” LaVergne (ISC HoF 2008). In 1983, Alan joined the Lancaster, CA Chameleons, where he won the WSC batting championship (.411) and MVP honours. The Chameleons won the ISC tourney and the following year placed third, when Alan was named to his second ISC All-World team. Two years later, with the new-look Lakewood, CA Chameleons, he acquired his third ISC All-World Selection. Alan continued to play with various competitive teams in California, highlighted by an ASA championship ring in 1991 with Santa Rosa CA Guannella Brothers.
