

## George Pearson, San Pedro, CA

George was not only an outstanding softball pitcher but also a standout baseball player who was drafted out of high school by the Detroit Tigers. George pitched for the San Pedro Mary Star team of the 1950s, when he was named to three NSC All World teams, and for the Long Beach Nitehawks during the 1950's and 60's. At one time, he was one of only five softball players nationally who were invited to teach the art of fastball pitching overseas.
