

Les Cigel, Green Bay, WI

In the 1980s and 1990s, nowhere was fastpitch softball bigger than in Wisconsin. And Les Cigel was in the middle of it was his All-Car teams. Les would win an ISC World Championship in 1994 in Summerside, Prince Edward Island, beating the Toronto Gators as All Car went undefeated. In 1996, All-Car lost a heartbreaker on a walk-off home run to Tampa Smokers, ending a remarkable run through the losers bracket to get to the ISC championship game. Cigel's teams battled The Farm, County Concrete, Circle Tap and other top Wisconsin teams in the Classic League, which was likely the best league in North America in those days.
