

## Todd Schultz – Williamston MI

Todd Schultz, born May 1, 1964, launched his ISC career at the 1986 World Tournament in Sioux City, IA with the Lansing, MI Spartans. In the ensuing 23 years, Todd displayed precision defense as a mid-infielder and was always a threat in the batter's box.

His combined skills resulted in five All-World Selections, most memorably to the First All-World Team in 2003 with Marathon WI County Materials, when he batted .400 in leading his team to a second-place finish.

Todd was a contributing member of the back-to-back County Materials championships in 2005-06, being named to the Second All-World Team in 2005. He also received Second All World Team laurels in 1992 and 2009 with his home-state Midland, MI Explorers and in 2010 with Chicago/NY Fastpitch of New York, NY.

Noted for his soft hands and near-perfect fielding, Todd utilized a variety of skills in the batter's box to be a complete two-way player. Todd combined speed and savvy to carve an impressive .290 career batting average, including 15 homers and 48 RBIs. In an impressive three-year stretch spanning 2003 to 2005, while batting ninth for County Materials, Todd socked seven home runs in ISC play.

Todd also suited up for Team USA which was a huge thrill playing in his home park in Midland MI against Team Canada in 1996 and hitting a double and collecting a RBI off legendary Canadian pitcher Darren Zack.
