## ISC Mission Statement

The purpose of the International Softball Congress shall be to create an interest in and promote men's and boys' fastpitch softball, to keep the game clean and free from objectionable features, to make it a sport that will be attractive to lovers of all clean competitive sports, and to provide a series of games that lead up to ISC championships.

In 2025, the ISC held the World Tournament in Minnesota for the first time ever. Our hosts at Caswell Park did a bang-up job, from a memorable Hall of Fame breakfast to a fabulous week of ball games culminating on Championship Saturday.

Thank you to everyone at Caswell Park, and the host committee led by Brad Walsh, all of the staff and volunteers who ensured that we had a tremendous week that was enjoyed by the players, the fans and officials.

The photos for this year's Guide are by Milt Michael with some additional photos by editor Blair Setford. ISC stats and scorekeeping were led by John "Woody" Woodruff, who retired after the tournament and we wish Woody all the best. Brian Eradus was instrumental in gathering stats from GameChanger.

Jeana Schreder continues to be our Production Editor and, as she has done for the past several years, makes our annual ISC Guide a thing of beauty. Dan Nessler, ISC Hall of Fame (2009), continues to handle the printing and shipping – in addition to throwing out the first pitch at the 2025 ISC World Tournament – see page 8.

## About The Cover

## 79th Annual ISC World Tournament

*By Blair Setford*

In 2025, the ISC World Tournament was hosted in Minnesota for the first time ever!

Long a hotbed of the sport, Minnesota was home to the 1976 ISC Champions All-American Bar team from St. Paul, along with the Mankato Happy Chef team in the 1980s amongst many others.

Caswell Park, in North Mankato, was our host park and for a first-time host they drew plenty of rave reviews. Battling through a pair of derecho storms on the opening weekend, the team at Caswell kept the schedule on time all week to the best of their abilities even with games running long as the competition was intense.

Hill United Chiefs would prevail with a dominating performance in the ISC World Championship, going back-to-back and claiming their seventh title in the past 13 years.

For our 80th Anniversary, we will bring the ISC World Tournament to Chippewa of the Thames First Nation in southwestern Ontario as Bear Creek Sports & Entertainment will host from August 8-15, 2026 – we look forward to seeing you there!

## Hill United Chiefs Rebuilding Dynasty *Back-to-Back Championships Wins*

*By Blair Setford*

Hill United Chiefs know what it takes to build a dynasty. The dominant team of the 2010s is looking good to retain that title in the 2020s with their second straight ISC World Tournament Championship, this one in simply dominating fashion, punctuated by a 10-0 win over Bear Creek Express in the final.

And in the week where the Hill family was inducted into the ISC Hall of Fame in the Bob Welby Memorial Recognition of Service category, the win was extra special for player turned manager Jeff Ellsworth.

“For our group, there was definitely an added level of motivation to perform at our very best that week,” said Ellsworth. “We wanted to honor everything they’ve done for the program and for the sport by playing Chiefs softball the way it’s meant to be played — with pride, professionalism, and a championship mindset. To win it the way we did with that happening at the start of the week made it even more meaningful for everyone involved.”

In the 2010s, Hill United rode the right arm of Adam Folkard to four ISC titles in six championship game appearances. This decade, Marco Diaz is two-for-two and his dominance — six wins, 62Ks in 30 innings and an ERA of 0.30 — reminded fans and players alike of Folkard in his prime.

“Adam Folkard set the standard for what dominance on the mound looked like for the Chiefs during that era,” Ellsworth reflected. “What Marco did at the 2025 World Tournament was incredibly impressive. He was locked in from start to finish, attacking hitters, working ahead in counts, and showing the poise you need to win on the biggest stage.”

As much as the Chiefs got production from the veterans in their line-up – Shane Boland with 2 HRs and 3 RBIs in the final, Brad Ezekiel batting .462 and making his 9th All-World team – there were contributions up and down the order. Luciano Biondi was named First-Team All-World in just his second ISC World Tournament.

“It was really satisfying to see players like Biondi and some of the other newer guys step into big moments and deliver, remarked Ellsworth. “Nick White was another tremendous addition for us. He brings a unique combination of speed, elite defense, and the ability to play the small ball game, but at the same time he has the power to leave the yard when pitchers make a mistake.”

Chiefs’ veteran Tony Gonzalez was named to his 4th All-World Team and had a terrific tournament, batting .438 with 3 HRs and 10 RBIs. “Tony Gonzalez is one of those rare players where experience, preparation, and competitiveness just keep him performing at an elite level year after year,” said Ellsworth.

On the topic of rebuilding a dynasty, Ellsworth pointed to Gonzalez as well as others like Ezekiel, Boland and Bruno Motroni setting the example for younger players like Alan Pekar, White and Biondi.

“One of the things we’ve worked hard to do is create an environment where experienced players and younger talent can come together and really thrive,” said Ellsworth.

“Our goal is to keep building something that players want to be a part of. When athletes see the culture, the professionalism, and the commitment to winning that exists within the Chiefs organization, it naturally becomes a destination program for top players.”

## CARROL FORBES FOUNDATION

INVEST IN THE FUTURE

Carrol Forbes  
1909-1982

The Carrol Forbes Foundation, established in 1995 in memory of ISC Founder Carrol Forbes (1909-1982) commenced providing funding in 2006 for youth development programs to “invest in the future” of this great sport of fastball.

**MEMBERSHIP**—Resource development for the CFF originates from donors who become “members” in the Forbes Foundation. Veteran ISC World Tournament umpire Les Novak, an original founder of the CFF, was the inaugural “Gold Donor”. Membership is open to individuals, families, teams, sponsors, businesses, organizations etc. The ISC has been granted 501(C)(3) tax-exempt status by the IRS whereby donors are eligible to receive IRS charitable tax receipts to offset income tax payable.

Various levels of membership are available and provide the following recognition:

**PLATINUM—\$2,500 plus:** IRS Income tax receipt; Lifetime pass to ISC World Tournaments, platinum plaque, recognition at the ISC Hall of Fame, published recognition in the ISC annual Guide, 2 complimentary tickets (upon request) to the annual Hall of Fame Breakfast.

**GOLD—\$1,000 plus:** IRS Income tax receipt; Lifetime pass to ISC World Tournaments, gold plaque, recognition at the ISC Hall of Fame, published recognition in the ISC annual Guide, 2 complimentary tickets (upon request) to the annual Hall of Fame Breakfast.

**SILVER—\$500 plus:** IRS Income tax receipt; silver plaque, recognition at the ISC Hall of Fame, published recognition in the ISC annual Guide, 2 complimentary tickets (upon request) to the annual Hall of Fame Breakfast.

**BRONZE—\$250 plus:** IRS Income tax receipt; bronze plaque, recognition at the ISC Hall of Fame, published recognition in the ISC annual Guide.

**PATRON—\$100 plus:** IRS Income tax receipt; published recognition in the ISC annual Guide.

**FRIEND—\$25 plus:** IRS Income tax receipt.

(Incremental donations are encouraged for donors to achieve higher investment in the programs of the CFF) In excess of \$55,000 (as of Sept 2019) is earning income in a variety of professionally recommended investments.

**FUNDING AVAILABLE**—All income including unspent interest, dividends and capital gains will be available to fund CFF Committee approved youth development activities. Examples may include clinics, youth tournaments or other approved youth activity.

---

Tournament directors, coaches, or leagues that want to conduct clinics or are looking for funding are encouraged to apply to the ISC’s Carrol Forbes Foundation and should contact Greg Nydick at [gnydick@gmail.com](mailto:gnydick@gmail.com) for consideration.

Since 2019, the CFF has provided approximately \$5,000 in funding for in-person clinics and an additional \$3,000 for instructional videos for the ISC website. In November 2024, the Carrol Forbes Foundation helped sponsor a USA Softball Pitchers & Catchers camp. Special mention to Marco Diaz, who has attended virtually every CFF pitching clinic in the past couple of years across the U.S.

# ISC Hall of Fame Class of 2026

The 2026 International Softball Congress Hall of Fame Class is another international group, with the first Argentina player to be welcomed into the Hall, alongside two fabled Canadians and three Americans, including a former ISC president, a long-time sponsor and the manager of a legendary team of the 80s.

**Lucas Mata**, La Pampa, Argentina, was a trailblazer, among the first of the Argentine players to play in the ISC, paving the way for the multitudes to follow. Lucas was named to six ISC All-World teams, four times to the first team and twice to the second team. He pitched his teams to five straight ISC championship games between 2003 and 2007 and was the Leroy Zimmerman Most Outstanding Pitcher in 2012. He is widely remembered for his dominance with County Materials in 2005-2006.

**Jeff Ellsworth**, Albany, PEI, combined the gifts of speed, power, batting average and elite fielding over a 17-year career as an outfielder. He was selected to six All-World teams, twice to the first All-World team and four times to the second. Jeff was the Cleo Goyette MVP of the 2014 ISC World Tournament, winning one of his five ISC championships. He was a key member of the Hill United Chiefs run of six straight ISC World Championship game appearances.

**Ian Fehrman**, Townsend, ON, made every team that he played on better. In a game blessed with premier athletes at shortstop, Ian was a rock in the middle of the infield.

Every one of his six All-World selections was to the first team – a huge accomplishment considering the quality of shortstops in the game. He starred with the Jarvis Travellers during their three-straight ISC World Tournament Championships from 2010-2012.

**Dean Oscar**, Reedsburg, WI, was the longest-tenured ISC President in the history of the organization, serving from 2007 and 2022. His clear thinking and calm demeanor helped him to lead the organization toward being leaner and more efficient, emphasizing character and skillsets among personnel to maximize contributions from the ISC committees.

Dean always led the ISC to ensure that the organization was focused on meeting the best interests of players, sponsors and administrators. He can always be found at the ballpark on summer weekends enjoying the best game in the world.

**Jeff Borrer**, Shoreline, WA, had a storied softball career as player and coach, and was an outstanding leader on the diamond his whole career. He took over the managerial duties of the powerful Seattle franchise in 1989 when sponsorship changed to Seafirst Bank. In just the second year under Jeff's leadership, Seafirst would win the 1990 ISC World Championship. Jeff managed the team until 1996 and they were always a perennial contender in the powerful Norwest ISC Travel League and at the World Tournament during his tenure.

**Bruce Tanski**, Clifton Park, NY, was the long-time sponsor of the Gremlins organization from 2007 – 2024, resulting in a tremendous run of success with three ISC World Championships in 2018, 2019 and 2023, five second-place finishes and a record-breaking 14 consecutive Final-Four finishes. The Gremlins organization set the standard for consistency and became a model for other teams to emulate. A softball sponsor since 1970, Bruce also co-sponsored the Heflin Gremlins, Broken Bow Gremlins and Chicago-NY Gremlins.

**The 2025 ISC Hall of Fame  
Breakfast and Induction Ceremony  
will be held August 9, 2026 on the  
opening Sunday of the 2026 ISC  
World Tournament at the Ramada  
Inn in London, Ontario.**

The Carrol Forbes Memorial Trophy has undergone many transformations over the years.

For more than three decades, it was a six-foot tall monster incorporating two levels of wooden bats, which was a well-regarded trophy style in the 1970s, but whose popularity had waned. In addition, the trophy was a challenge to transport for the winning team, to say the least.

In the last 15 years, the Forbes trophy has changed from a championship cup to the current incarnation shown here which is awarded annually to the International Softball Congress World Tournament Champion.

Every year the Carrol Forbes Trophy is purpose-built for the ISC World Tournament, and includes the names of all of the previous champions dating back to 1947.

The ISC believes strongly in embracing our storied history and is extremely proud to present this unique commemorative trophy every August.

# ALL-WORLD PLAYERS

This section is an alphabetical list of the players selected to the all-star teams of the ISC's annual World Tournament. Until 1975, the all-star team was called the All-American Team. The designation was changed to ALL-World Team in 1976. Before 1978, only one all-tournament team was selected annually. Since 1978, two all-star teams have been chosen each year. Players elected to the All-American teams of the National Softball Congress, 1947-1957, are designated with initials ( NSC ). During the period, 1951-1957, some players were named to both the NSC and ISL All-American teams. ( HOF ) indicates Hall of Fame player (\*\*) Designates a 2nd team All-World Selection

## Midland Explorers Reach the Top of the Mountain *First ISC Title for Organization*

By Blair Setford

The moment the ball left Preston Sherman's bat, Tony Wark knew it was a championship-winning home run for the Midland Explorers.

"Winning the title was a once in a lifetime feeling for us," said Wark, who was the Bob McGowan ISC II MVP. Wark's Explorers won the ISC II Championship with a 3-1 walk-off win in the bottom of the 9th over nemesis Georgian Bay Giants.

"There was so much tension in the extra innings where it could've gone any way at any moment," Wark continued. "When we got back to the top of the shop, Jesse Cornell, Preston, and myself, I knew we had a really good chance at ending it that inning. I remember telling Preston, 'you end this or I will!'"

The Explorers and Giants were meeting for the second time in two days, with Midland having won the ISC II winners bracket final 4-1 on Thursday. Friday's championship game was dominated by pitching. Valen Mata started for Midland while Georgian Bay countered with Taiga Onishi, who would capture the ISC II Most Outstanding Pitcher Award. Midland took a 1-0 lead on a home run by Shane Wark in the third inning, much to Tony's delight.

"When my brother was called upon to grab a bat he asked me what I thought he'd see. I told him 'he hasn't seen you yet, he's going to come right at you, don't miss the first one,'"

said Tony. "That feeling I had when he hit that and got us on the board is a level of proud I'm not sure I'll ever feel again."

Mac Mulvey tied the game for the Giants in the top the 6th with a line shot home run to right-center.

"It's always a great game against the Giants, typically decided by one or two runs," said Wark. "We have a great deal of respect for them, as I'm sure they do for us. We knew they were going to be the team we would have to get through to get the trophy."

Jon Gwizdala, a Michigan native and long-time Explorer, came on to start the 7th inning. Gwizdala was battling injuries all week.

"For him to push the way he did to finish the last innings was very impressive. He was hurting. His knee was so swelled up afterwards I've never seen anything like it," said Wark. "The whole team wanted to win for Jon. He is the only reason we still have a team and it was just fitting for him to be the one to finish it for us."

## **Cobourg Force Blitz Field Back-to-back Legends Champions**

By Blair Setford

The 1979 Pittsburgh Pirates rolled to a World Series title with the theme song “We Are Family”. While it doesn’t play in the dugout, the same theme applies for the Cobourg Force.

“From the moment you arrive, alone as a player or with family, [sponsors] Mike & Sheryl [Skelton] and Bill [Fairney] never hesitate to go out of their way to make everyone feel welcomed and truly a part of the Force Family,” said Force lead-off hitter and centerfielder Dave Brownhill.

Riding strong pitching and a dominating offence, the Force blitzed the 2026 Legends Championship, going undefeated and outscoring the opposition 64-7 in piling up their seven wins, including a 13-2 shellacking of CR Brewers in the Legends final.

Grant Patterson picked up his second straight Legends Most Outstanding Pitching Award, going 3-0 and allowing only a single earned run.

Brownhill was the leading hitter, batting .667, and was presented with the newly named Ward Gosse Memorial ISC Legends MVP Award by Ward’s wife Karen.

“To experience both teams prior to the game starting, walking to the mound

and joined in solidarity to honour Ward, truly illustrated the impact he had on the game,” said Brownhill. “His impact both on the field and off will greatly be missed. Having Karen there to present the award just demonstrates how truly special the fastball community continues to be.”

Brownhill said everyone was motivated by the back-to-back championship opportunity and wanted to win this one for Fairney (Rookie), who wasn’t able to attend in Minnesota.

“People that don’t know him, don’t appreciate the love he has for the game. From the weekly phone calls, to the wardrobe texts, the voice in the pre-game huddles, and the voice that can be heard from the diamonds around,” said Brownhill. “You never doubt the gratitude he has towards us players and their families. Only players who have played for him over the years would understand those are shoes you just don’t fill.”

# INTERNATIONAL SOFTBALL CONGRESS

## Progressive Fastpitch Administration

### Since 1947

The ISC, as we know it today, began as the National Softball Congress in 1947.

**HISTORICAL NOTE:** The National Softball Congress was founded in 1947 by LARRY WALKER of Phoenix, Arizona. Walker and others, including CARROL FORBES of Greeley, Colorado, were dissatisfied with some of the Amateur Softball Association's policies. The NSC held championships for men and women and operated from 1947 through 1957.

In December of 1950, Forbes, a former president of the NSC, split with Walker and formed a new organization, the International Softball League, for men only. The ISL held championships from 1951 through 1957.

The NSC operated from 1947 thru 1957. In 1950, Carrol Forbes left the NSC and formed the International Softball League. From 1951 thru 1957 both the NSC and ISL held championship tournaments. The NSC ceased operations in 1957 and Forbes brought some of the NSC's administrators into his group and renamed it the INTERNATIONAL SOFTBALL CONGRESS.

# Progressive Fastpitch Administration

Special recognition is due Bill Van Dine, Carbon Cliff, IL, who served as the Tournament Director in Rock Island, Illinois from 1961-1969 and later as Florida Commissioner from 1989-1993. Unified ISC World Tournament - After introducing the ISC II division as a stand-alone tournament in 2002 for "intermediate" level teams, the ISC merged divisions in 2010 to create a unified ISC World Tournament that also featured an ISC II bracket, providing challenges for teams at all levels of play.

In 2026, we welcome Frankie Billingsley and Laura MacMillan, our first two women umpires.

## OFFICIAL RULES

All games played in ISC Championship play shall be played according to the Official Softball Playing Rules published annually by USA Softball. Rule books may be obtained from [www.usasoftball.org](http://www.usasoftball.org).

## DOUBLE BASE

The following apply when the double base is used.

- a) The batter-runner is subject to the following.
  - i) A batted ball hitting the fair portion is declared fair and a batted ball hitting the foul portion only is declared foul.
  - ii) A defensive player must use only the fair portion of the base at all times, except on any live ball play made from first base foul territory. The batter-runner and the defensive player may use either portion of the double base. When the defensive player uses the foul portion of the double base, the batter-runner can run in fair territory, and if hit by a throw from the foul side of first base, it would not be interference. If intentional interference is ruled, the batter runner would be out. The one-meter line is duplicated on either side of the foul line on throws from foul territory.
  - iii) If a play is made at first base on any batted ball or the batter runs on a dropped third strike the batter-runner touches only the fair portion and if the defense appeals prior to the batter-runner returning to the fair portion of first base, the batter-runner is out. This is treated the same as missing the base and is an appeal.
  - iv) After over-running the base, the batter-runner must return to the fair portion.
  - v) On a ball hit to the outfield when there is no play being made at the double base, the batter-runner may touch either portion of the base.
- b) The following applies to a runner.
  - i) After over-running the base, the runner must return to the fair portion.
  - ii) When tagging up on a fly ball, the fair portion must be used.
  - iii) On an attempted pick-off play, the runner must return to the fair portion.
  - iv) Once a runner returns to the fair portion, should they then stand on the foul portion only it is considered not in contact with the base, and the runner will be called out if:
    1. they are tagged with the ball; or
    2. they stand on the foul portion of the base, while the pitcher has possession of the ball within the pitcher's circle.

## PLAYING RULES

- All games shall start at rainout point in case of delay, regardless of time.
- Tournament rosters shall not be changed for any reason after they have been turned in at a time to be designated by the official in charge.
- Only starting players may re-enter a game.

For all ISC Championship tournament games, teams are required to wear contrasting uniform tops/jerseys. Any exception to this rule shall be cleared by the ISC Executive Director or a member of the ISC Executive Committee prior to game time.
- If a bat conforms to the official measurements as listed in the ASA guide book and it passes ISC World

- Tournament compression testing, and has the appropriate year's ISC sticker attached, it is deemed to be a legal bat for use in the ISC World Tournament and affiliated tournaments.
- The two-out catcher replacement rule (catcher only, not pitcher) is mandatory in ISC Championship Play, including ISC II and Legends. The replacement runner shall be the last available batter in the inning. The international tie-breaker rule will be used in all games in the ISC II and Legends tournaments.
  - For all ISC World Tournament and affiliated tournament games, teams must start and finish with at least nine (9) players.
  - A trapper-style glove can only be used by the 1st basemen and catcher.
  - When possible, the Umpire-in-Chief will avoid assigning umpires from the participating teams regions as the home plate umpire.
  - An ejection from a game of any player, coach or team official does not result in an automatic one-game suspension however, the ISC protest committee shall have the authority to impose additional sanctions on any player, coach or team official for egregious conduct.
  - The home team for ISC and ISC II championship games shall be the undefeated team. In ISC Legends, if a single elimination bracket has been used, then a coin toss will determine home team for the championship game.

### **INTERNATIONAL SOFTBALL CONGRESS PITCHING RULE**

Pitching in all ISC competition shall be governed by the current year's Official Rules of Softball published and distributed by USA Softball, (WITH THE FOLLOWING EXCEPTIONS):

#### **Section 1. Preliminary to Delivery**

- A. The pitcher shall take a position with the majority of his pitching foot on top of the pitcher's plate and his non pitching foot on or behind the pitcher's plate.
- B. The pitcher shall hold the ball in both hands for not less than one second and not more than ten seconds before releasing it. If the pitcher decides to pitch with the non pivot foot to the rear and off the pitching plate, a backward step may be taken before, simultaneous with or after the hands are brought together. The pivot foot must remain in contact with the pitching plate at all times prior to the forward step of the non pivot foot. The stipulation for the pivot foot to remain motionless at all times prior to the forward step of the non-pivot foot is stricken.

#### **Section 3. Legal Delivery**

- C. In the act of delivering the ball, the pitcher must take one step simultaneous with the release of the ball. The step must be forward and toward the batter within the 24-inch length of the pitcher's plate. It is not a step if the pitcher slides his pivot foot on the pitcher's plate toward the batter or if the pivot foot turns or slides in order to push off the pitcher's plate, provided contact is maintained with the plate. Raising the foot off the pitching plate and returning it to the plate creates a rocking motion and is an illegal act.

Effect:

- A. If the batter hits the ball and reaches first base safely and if all other runners have advanced at least one base if forced on the batted ball, the illegal pitch is cancelled. All action as a result of the batted ball stands. No option is given.
- B. Otherwise the manager has the option to take the result of the play, or the illegal pitch is enforced by awarding a ball to the batter and all runners return to the base previously held prior to the illegal pitch. If the illegal pitch is ball four, the batter is awarded first base. All other runners advance only if forced to do so by the batter becoming a baserunner. NOTE: If an illegal pitch hits the batter, the batter is awarded first base and all other runners are awarded one base only by the batter becoming a baserunner.

### **FOREIGN SUBSTANCE RULE**

1. The only acceptable substances for pitcher use will be powder rosin or Gorilla Gold.
2. When the ball gets too dark, the umpire will remove it from the game.

### **CHARGED DEFENSIVE DELAY**

A defensive team may only have one charged defensive delay per half inning.

DEFINITION: A delay caused by one or more defensive players leaving their position on the playing field to conference with another defensive player(s), which results in a delay in play. Time may or may not be called.

Exception: Normal communication between players (including a catcher and pitcher) that does not require either to vacate their position on the field. It shall not be a Defensive Delay if players confer during a charged offensive conference, injury or other administrative delay provided they are ready to resume play upon the umpire's request.

If a team is out of delays, the umpire will have discretion to grant a brief, escorted visit at the catcher's request if a cross-up in signals has occurred between the pitcher and catcher.

Effect

The second and subsequent defensive delay in any half inning shall result in a ball being awarded to the batter. A second or subsequent defensive delay immediately after a hit, walk, or putout shall result in a ball being awarded to the next batter.

### **QUALIFYING TOURNAMENTS**

All qualifying tournaments shall be under the jurisdiction of the National Vice President or a Regional Commissioner and must be held within the geographical boundaries of the region. The Vice President or Regional Commissioner shall determine the site, dates, format, and entry fee. Umpires in qualifying tournaments must wear official ISC umpire shirts and caps.

In locations where the VP or Regional Commissioner is involved in any way with a team, a three-man committee shall be appointed by the Executive Director to help with the conduct of the tournament.

### **TEAM ROSTERS**

The official team roster shall be limited to 16 players. Team rosters for ISC Championship play will be restricted to three pitchers, these three will be the first three that pitch in the ISC World Tournament. Of these three pitchers, only one (1) of the three may be a PRAWN. See Pitchers under Definitions.

Players participating in the Developmental Program are also eligible to play on a World Tournament team.

Team rosters are due four times per season and sent via e-mail attachment to the appropriate ISC Statisticians. Due dates are: May 15 (preliminary season roster and rankings eligibility) June 15 (PRAWN declaration and OOR exception), July 15 (deadline for rosters to appear in championship tournament programs) and the Monday preceding the start of ISC World Tournament (final and official championship roster). For all ISC Championship rosters, a team coach, manager or trainer must acknowledge reviewing the concussion protocol training by checking the box on the roster form and including the name of the person in the identification box. This is a requirement for insurance eligibility.

Players can appear on rosters in multiple divisions (ie ISC and Legends) but can only play in one division at a time. If a player starts to play in Legends, he will not be eligible to return to play in ISC or ISC II. Similarly, if a player is continuing to play in ISC or ISC II, he cannot start to play in Legends until his team is eliminated.

### **ISC WORLD TOURNAMENT AND AFFILIATED TOURNAMENTS**

ISC World Tournament shall be under the jurisdiction of the Executive Committee of the ISC.

All entry fees are to be paid by July 1. Payment must be received by the deadline or a team may not be included in the schedule. Each qualifying team to the ISC World Tournament and all affiliated tournaments must meet its obligations to the ISC or entry may not be accepted. In the event a team does not meet its obligation, the total entry fee may be retained.

Any team forfeiting an ISC World Tournament or affiliated tournament game may not be eligible to share in any tournament travel funds, and all players, coaches and managers may be suspended from ISC competition for one year.

Any team wanting to sell souvenir items at the World Tournament or affiliated tournaments must provide such items on consignment to the souvenir chairperson for approval. Items will be offered at prevailing prices, with unsold items to be returned to the team. The items to be sold and proceeds from these items will be negotiated with the World Tournament host and the team involved.

Games in ISC World Tournament and affiliated tournaments will not begin earlier than 15 minutes before scheduled game time.

Any team that does not abide by the contrasting jersey rule will automatically be declared the visiting team for the game.

All World Tournament teams must have a team picture taken by the official photographer prior to the start of their second World Tournament game.

The defending ISC World Champion team shall have the privilege of defending its World Title by invitation providing said team has nine players on its roster from the previous year. The roster with the nine players must be turned into the ISC Executive Director by May 15.

The city in which the ISC World Tournament and affiliated tournaments takes place may be represented by up to two (2) Host City entries. The host team(s) may be chosen by invitation or other method with agreement of the ISC Executive Committee.

The final rankings will form the basis for seeding teams for the ISC World Tournament with the VP, World Tournament having final discretion for the schedule.

### **AWARDS**

Appropriate awards shall be presented at the conclusion of the World Tournament to the following: championship team (Carroll Forbes Memorial Trophy), runner-up team (Marv Casteel Memorial Trophy), third-place team(s), team displaying the Most Sportsmanlike Conduct (Frank Porth Memorial Award) selected by the umpires, Best Dressed Team (selected by host committee), dedication to the game award (Denny Bruckert Memorial Award, selected by the Executive Committee), Most Valuable Player (Cleo Goyette Memorial Trophy), Most Outstanding Pitcher (Leroy Zimmerman Memorial Trophy), Leading Hitter, Most RBIs and the ISC Newcomer of the Year (Kevin Herlihy Memorial Trophy). Members of the championship team will receive individual awards. Twelve (12) players chosen on the ISC All-World first team will receive appropriate awards. An ISC All-World second team of twelve (12) players shall also receive awards. Also awarded will be the Leon Watson Memorial Umpire Award as chosen by the umpires for the Umpire that exemplifies Leadership, Courtesy and Professionalism at the ISC World Tournament.

ISC II awards shall be identical to World Tournament except the championship team award shall be the Gord Newman Memorial Trophy, Bob McGowan Most Valuable Player Award, only one ISC II All-Tournament team shall be named, and the Jamie Boyd Memorial ISC II Newcomer of the Year Award.

Legends Awards and Youth Awards, when applicable, shall be championship team trophy plus individual plaques, runner-up team trophy, MVP, Most Outstanding Pitcher, Leading Hitter and Most RBIs. Legends will also have a 12-player All-Tournament team.

### **ALL-WORLD TEAMS**

Only players having participated in four or more games shall be considered for the ISC All World Teams and for the ISC II All-Tournament Team. The batting champion must have a minimum of 12 times at bat or 15 official appearances as a batter. The Most Valuable Player and Outstanding Pitcher are mandatory members of the All-World first team.

### **DUE DATE**

All ISC membership fees are due July 1 to the ISC Treasurer. A \$25 penalty will be added if not paid by the due date.

### **NOTE:**

In the event a team does not meet its obligation, the total fee will be retained.

### **DEFINITIONS**

#### **1. RESIDENCY**

##### **a) IN-REGION PLAYERS**

All players must maintain primary residence and be available for legal employment, as of May 15, in the region governing the team with which a player competes. A temporary residence does not qualify as a primary residence. Transfer of employment to another region is acceptable until June 15 of the current season.

Any player moving to another region after May 15 of the current year and wishing to play in an ISC tournament shall make it known and be approved by the ISC Executive Director no later than June 15. This rule shall also apply to player changes for the host team and the defending champions. It shall be the responsibility of both the commissioner and the player to get a clearance before playing with another team after moving to another region. All commissioners shall receive a list of players who have been approved to play for another team after having moved to another region. The Executive Director shall make the decision, and in no case shall anyone play if not approved by June 15.

If a player is within an ISC Region which does not send a team to the ISC World Tournament, the player may be picked up to play with another team outside that player's designated region. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees.

##### **b) OUT-OF-REGION PLAYERS FEES**

If a player wishes to play in an ISC region outside of his geographic region of residence, whether that region be under ISC jurisdiction or not, he must email his intention to play with his current year's team to the ISC Executive Director by June 15 to be eligible for World Tournament play. Payment via PayPal as specified by the ISC Out-of-Region Fee Schedule must be submitted by each team with the listing of its Out-of-Region players. Upon receipt of the Out-of-Region player's email intent by the ISC Executive Director, the Out-of-Region player will be bound to that team for the entire season and cannot play in ISC programs in his or any other region until the following season.

The first three Out-of-Region players per team will be assessed \$100 (US\$) each payable by the team. Additional Out-of-Region players on each team, beyond three, will be assessed \$300 (US\$) each. All Out-of-Region fees, with properly completed notifications of intent via email, must be paid via PayPal no later than June 15 to the ISC Executive Director.

An Out-of-Region Player playing in his first ISC World Tournament will not be subject to the Out-of-Region Player fees in that year only.

Approved Out-of-Region players, whose team does not play in the ISC World Tournament, are eligible to be picked up by another team entered in the ISC World Tournament. This is subject to PRAWN rules and Out-of-Region form, June 15 deadline and fees. Notice of approved Out-of-Region players will be made to the ISC commissioners by the Executive Director.

All ISC teams who have four (4) or more approved Out-of-Region players must have their Out-of-Region players play in at least one approved ISC qualifying event or in an invitational tournament in both June and July with their current year's team to be eligible for the current year's ISC World Tournament. Exceptions to the preceding requirement for rostered national team players and rostered junior national team players may be requested through the appropriate national Vice President, with concurrence of the VP Operations/Communications and the ISC President, to enable the player(s) to play only in either May or June as well as July.

Each team with four (4) or more approved Out-of-Region players will be allowed one (1) exception to the requirement that Out-of-Region players must play in an approved ISC qualifying event or on an invitational tournament in either May or June as well as July. That exception must be declared and marked on the ISC roster form and resubmitted to the Executive Director by June 15. This exception is subject to PRAWN rules and Out-of-Region form, June 15th deadline and fees.

If a player signs a letter of intent and does not play in an official ISC Qualifying event by July 1, he can notify the ISC Executive Director for a withdrawal of his letter of intent.

After the June 15 Out-of-Region deadline, a team may apply to the appropriate Vice President, with concurrence of the VP Operations/Communications and the ISC President, for a player replacement due to a hardship case. If hardship is approved, the replaced player will be ineligible for ISC competition for the current year.

## **2. PITCHERS**

Team rosters for all ISC World Tournament play shall be restricted to three (3) pitchers. Pitcher is defined as any player on an 16-man roster who pitches in ISC World Tournament competition. The three (3) pitchers for ISC World Tournament play are deemed to be the first three (3) that pitch in the ISC World Tournament.

## **3. PRAWN RESTRICTIONS**

A PRAWN (Player Rep All World Name) list will be maintained by the ISC containing each name of the two all-world teams for the most recent three years, including MV Player and Outstanding Pitcher. The PRAWN list will be released by August 30 each year and posted on the ISC Web site as soon as possible.

For 2011 and beyond, teams will be limited to 5-PRAWN players (combination of one pitcher and position players), plus age related exceptions that may have been named all-World in the last three years – only one of which may be a pitcher. All teams must name their PRAWNs to the Executive Director by June 15 each year.

Current hardship rule will be allowed given the following: the team replacing the player is still required to abide by the PRAWN limits for both players and pitchers. E.g. if the player being replaced is a pitcher with PRAWN status then that team may replace that pitcher with another PRAWN pitcher.

No team may add a PRAWN to their roster until their total PRAWN count falls below five (5).

### **AGE EXCEPTION FOR PRAWNS**

If a non-PRAWN player makes an All-World team in the calendar year of or after their 45th birthday, that player will only be considered a PRAWN player for one year. PRAWN players who have made or make an All-World team in the calendar year of their 43rd or 44th birthday can request to be excluded from the PRAWN list in the calendar year of their 45th birthday or after one season on the PRAWN list by providing proof of age to the Executive Director by May 15 of each year.

### **PRAWN Exception**

If a non-PRAWN player or players makes an all-World team in the current year, that team will be allowed to carry that player or players until such time that a PRAWN player leaves the team or drops out of the 3-year criterion. If a player makes all-World while with team A and they have 5-current PRAWN players, then team A would be able to carry 6-PRAWN's until one of the 6-leaves the team (or they fall outside the 3-year boundary), then they will only be allowed 5-PRAWN's for the following year. This exception does not apply to the 1-PRAWN pitcher stipulation.

A team may apply for an exception to the one (1) PRAWN pitcher limit provided the second PRAWN pitcher is declared ineligible in all circumstances to pitch in the ISC World Tournament, including any hardship appeal.
